CLERK: If it still would have been on Final Reading it could have.

SENATOR MOYLAN: OK, thank you.

PRESIDENT: Any further discussion? Senator Mills.

SENATOR MILLS: Mr. President, I'd like to have Senator Koch give an explanation of his . . .

PRESIDENT: He's asked for unanimous consent and we have asked if there are objections.

SENATOR MILLS: I object.

PRESIDENT: Alright, do you want to move, Senator Koch?

SENATOR KOCH: Mr. President, members of the body, what I'm trying to do is . . .

PRESIDENT: No, move it. Would you move . . .

SENATOR KOCH: I would move that we withdraw the pending amendment as proposed by myself.

PRESIDENT: Alright, now Senator Mills.

SENATOR MILLS: Mr. President, I'd like to ask Senator Koch for an explanation of the amendment that he presented and why he has withdrawn it.

SENATOR KOCH: Senator Mills, I have a valid reason for this. There is a slight error in the amendment I offered. What I'm trying to do is to solve a parliamentary problem here by withdrawing the original motion, sending it to final, and bringing it back for a specific amendment which would be correct. In fact there are two amendments to be offered. There will be an additional amendment by myself and one by Senator Barnett.

PRESIDENT: Senator Richard Lewis. There has been a request . . . the Chair will propose the question again on unanimous consent. Senator Koch asked unanimous consent to withdraw his amendment. Are there objections? Seeing none, unanimous consent is granted and is so ordered. Senator Koch.

SENATOR KOCH: Mr. President, members of the body, I move that we advance LB 126 to E & R for final.

PRESIDENT: Is there discussion of this motion? All those in favor say aye. Contrary say nay. The bill is so advanced. Senator Koch.

SENATOR KOCH: Mr. President, I believe Senator Barnett has an amendment pending, and his amendment would precede my request.

CLERK: Mr. President, I move to return LB 126 to Select File for specific amendment. In line 23, replace "5" with "21".
